

Entry 114: Petruchio Meets Kate

Baptista will grant Petruchio permission to marry Kate only if Petruchio can win her love. Petruchio seems very certain that he will be successful, and he intends to “woo” Kate “with some spirit when she comes!”

Imagine the scene where Kate and Petruchio first meet. Write a dialogue between the two. Will Petruchio charm Kate? Will he still want to marry her after he meets her? You decide. Your dialogue should capture the confident and headstrong nature of both characters. **Neatly fill one full page.**
