

Entry 57: *Lord of the Flies*—Huts on the Beach

Shelter vs. Meat 1/3 page	Ralph and Jack disagree about what is more important, shelter or hunting. Which character do you feel has the right idea? Why?
We Need Shelters 1/3 page	Ralph and Simon are the only ones left making shelters that the boys need for protection from the elements, and as a comfort to the littluns who fear a beastie. Why is no one else helping? If there were adults on the island, do you think things would happen differently? Why or why not?
Order vs. Chaos 1/3 page	Which of the boys' actions and activities show order and organization? Which show disorder and chaos? What side of this conflict seems strongest, order or chaos? Why do you think so?
