Evaluation

	0 - 5 points Missing/ Unsatisfactory	6 points Needs Improvement	7 points OK	8 points Good	9-10 points Excellent
Introduction: Includes, in order, 1) attention-getter, 2) orientation commentary, and 3) thesis statement.					
Thesis Statement: Provides a clear opinion statement about how Golding develops a symbol in the novel to support ideas about one of its themes.					
Topic/Assertion Statements: Support thesis and help clarify ideas with clear opinion statements focusing on use of repetition, placement, and description (diction) to develop symbol/meaning					
Introductory Sentences: Plot and character information provided to introduce each quotation					
Quotations: Quantity (2 per body paragraph) & quality					
Interpretive Sentences: Explanation reveals how each quotation supports assertions/thesis (explanation for each quotation should usually be about twice as long as the quotation)					
Concluding Sentences: Ideas explored in body paragraphs summed up effectively (restate assertions)					
Conclusion: Restates thesis, highlights key points, explains why subject matters to readers					
Logic & Flow: Ideas arranged in an organized manner / arguments make sense, etc.					
Title: Creative and original					
Proofreading/Editing: Spelling, grammar, punctuation, etc., reflect standard English language usage. Format follows MLA guidelines.
