

### **Entry 70: *Lord of the Flies* Symbol Analysis**

On the next blank page in your journal, colorfully and creatively arrange the following items related to one symbolic object in the novel:

- Three quotations that highlight key information about the symbol.
- Key words that show the ideas associated with the symbol.
- A visual representation of the object that depicts its literal role, its symbolic role, or both.
- An explanation of 7 to 10 sentences that: 1) discusses how Golding develops this symbol, 2) explores what the symbol represents, and 3) states how the symbol supports the ideas Golding is developing in the novel.
- A creative and meaningful title
